

# Cool Blue College January Newsletter

## CHRISTMAS TIME

Did you know Mark the managing director of Cool Blue College owns a charity? Glenroyd House is located in Consett and does amazing things for anyone in need of help.

During December, Santa, who had an uncanny resemblance to Mark, handed out presents and brought joy to the community.

**GOODBYE**

**HELLO**

As you may have noticed, we have officially rebranded from Milltech Training to Cool Blue College, this has been done as we believe Cool Blue College represents our aims and aspirations much more. With this change, we want to ensure to everyone who we have had the pleasure to work with, we will not lose what makes us great, but moving forward we will look to continue to improve as a training provider, and we hope you join us on this journey.

**“The choices we make today create the future that we are dreaming of” – Kapil Tatarwal.**

“Home to the local Community Pantry Food Bank our aim is to help out people in any walk of life who may be struggling at times with food parcels. This does not just include people receiving Universal credit we are here to help out everyone. Discretion is promised and expected. “

“Home to the local Community Pantry Food Bank our aim is to help out people in any walk of life who may be struggling at times with food parcels. This does not just include people receiving Universal credit we are here to help out everyone. Discretion is promised and expected. “

## MEET THE TEAM

Here at Cool Blue College, we have a fantastic team of staff who are always working hard to ensure you have the best experience possible, and if you ever need anything, we will try our best to help.

Our staff have a range of skills, knowledge, and experience to make sure all our learners and employers are able to receive the outcome they desire.

## ENGLAND INSPIRE

Although it was odd having the world cup during the winter and a lot of controversy followed it, the England players and staff did us all proud. Kieran Trippier and Callum Wilson represented Newcastle alongside Jordan Henderson and Jordan Pickford, who both represented the north.

After the Euros, Saka, Rashford and other players suffered from racist abuse. However, both have been an absolute credit and have silenced these people both on and off the pitch. The love and support shown was overwhelming and both players were given standing ovations in all stadiums, including rival stadiums. They both were also stand out performers at this world cup.

# FREE COURSE 19+

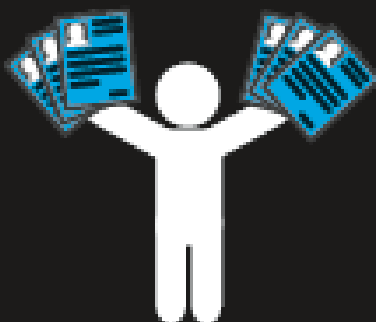

## Sunderland Numeracy Training

### Confidence in Numbers

- Develop your skills
- Sector based training
- CV Booster
- Supporting Children

# EXPAND YOUR SKILL SET

## AREAS I CAN IMPROVE MY MATHS SKILLS?

### Cost of Living

With the increase in cost of living many people are turning to Martin Lewis for tips on how to save. Our managing money course will teach the fundamentals of tips and tricks using numeracy to save.

### Budgeting

Understanding budgeting, cash in and cash out principles will allow individuals to still live, while still providing. On this course we give free of charge worksheets, and spreadsheets to help at home!

### Supporting Children

For our children the numeracy programs have changed dramatically to what we were taught. On this course we give you the skills to support your children with their tests, homework or revision using the new standard.
